REPORT ON SCHOLARSHIPS AWARDED AT CEITEC MU IN 2025

The scholarships were awarded at the Central European Institute of Technology of Masaryk University (from now on referred to as CEITEC MU) following the Masaryk University Scholarship and Bursary Regulations and Director's Measure of CEITEC MU No. 5/2025.

Scholarships are granted in two regimes: as a part of scholarship programs of CEITEC MU, and in accordance with the MU Scholarship and Bursary Regulations (Extraordinary scholarships according to Section 5 and Mobility scholarships according to Section 7).

The following scholarship programs are established at CEITEC MU:

a) Scholarship programme to support study excellence at CEITEC PhD School;
b) Scholarship programme to support creative activities of students;
c) Scholarship programme to support interdisciplinarity.

The scholarship agenda was administered by the Research and Innovation Support Department.

In 2025, scholarships were awarded to 164 students, with a total amount of CZK 8,357,555 paid.

This report is published on March 31, 2025, in compliance with Section 12 (Publication of Information about Scholarships) of the Masaryk University Scholarship and Bursary Regulations.
